Sir:

In reply to the Office Action mailed November 5, 2002, the following amendments and remarks are respectfully submitted in connection with the above-identified application.

IN THE CLAIMS:

Please amend the claims as follows:

1. (Five Times Amended) A picture print ordering method which orders a print of a picture image by generating print ordering information comprising electronic data in a predetermined standard to be processed by a predetermined photo finishing system, comprising the steps of:

recording high resolution picture image data obtained by reading a developed film and printing service information regarding the printing service which can be provided for the high resolution picture image data in the same portable recording medium, said printing
